Although the hands are the ultimate focus of our Spa Manicure Line, the real gift is the sensory experience the Spa Manicure Sensual Peppery Rose offers.

Smell - Sensual Peppery Rose is the ultimate contradiction in fragrances. It's rose, but not traditional rose. That is the magic of pink pepper. It doesn't smell spicy, but provides a contemporary rose note. Pink pepper is a key ingredient in a wide range of high end perfumes on the market currently, making it so sought after, so familiar.

Touch - Each and every product has been created to stimulate your fingertips. Soothing soaks, invigorating scrubs, luxurious lotions.

Sight - The product range was created with high quality natural ingredients in mind: no colorants, just pure, natural ingredients.

The Spa Manicure Sensual Peppery Rose is more than just a great smell, it has been developed with the ingredient conscious consumer in mind. We want to offer you a product that not only looks good, but one that helps you look even better.
